

Cancellation Policy/No Show Policy

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly “full” appointment book.

No Show Fee

In order to serve our patients better, we have instituted a cancellation policy. **If you do not cancel 24 hours in advance a no-show fee will be assessed.** The No Show fees are the sole responsibility of the patient. If there are 2 NO SHOW appointments in one calendar year, or refusal to follow our recommendations, the patient may be considered to have left our practice and may not be scheduled for another appointment.

Scheduled Appointments

We understand that delays can happen, however, we must try to keep the other patients, Doctors, and Nurse Practitioners on time. ***If you are more than 15 minutes late to your appointment, your appointment may need to be rescheduled.***
